The screenshot shows a web browser window with the address bar displaying "project.test/users/create". The page has a dark green header with a logo and navigation links: Home, About, Contact, Gallery, and Users. The main content area is titled "Create User" and contains a form with three input fields: Name, Email, and Password. Each field has a red error message below it: "The name field is required.", "The email field is required.", and "The password field is required." respectively. A blue "Save" button is located at the bottom of the form.
